SWIM SCHOOL

Can the Little Fish class make it to Margaret's Big Fish class without dobbing?

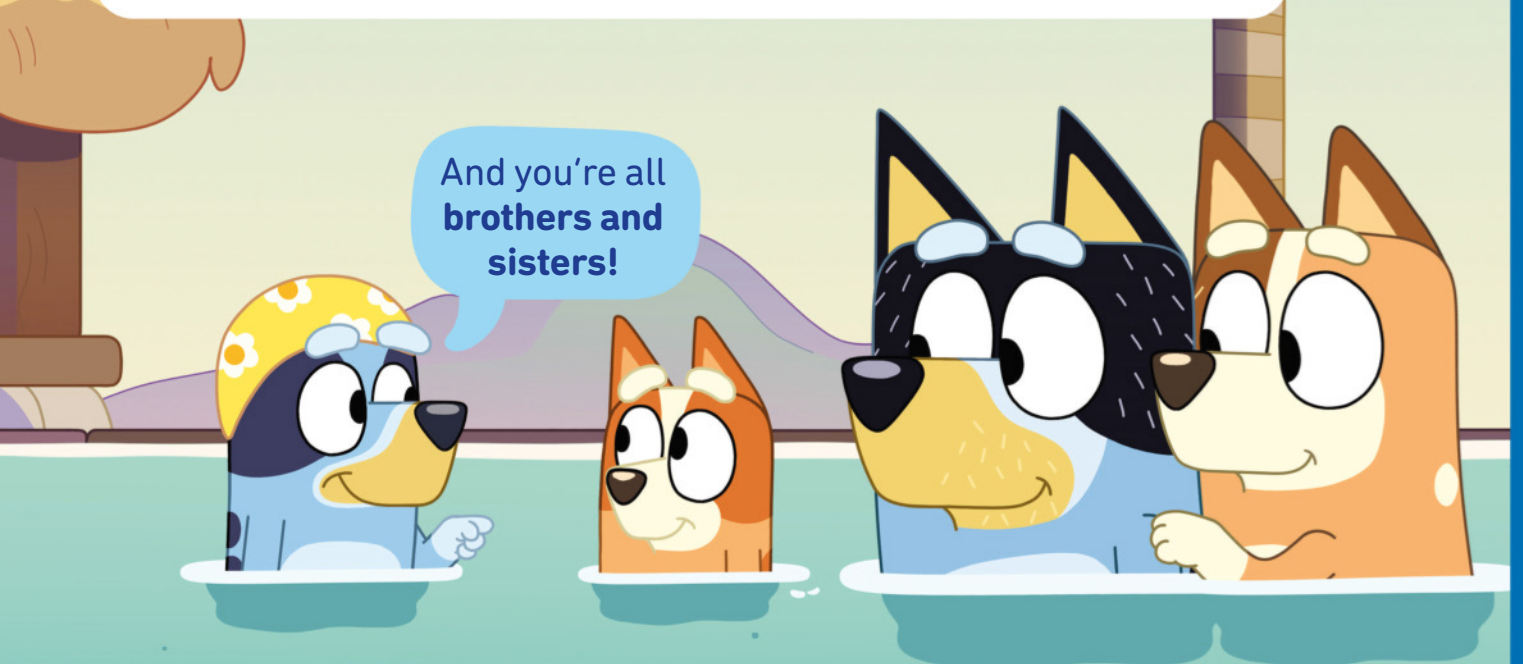

1

The Heelers are on holiday. Bingo is running by the pool, but Dad tells her it's dangerous. "Let's play Swim School!" Bluey says, running over. "Dad, Bluey's running by the pool," Bingo tells him. "Don't be a dobber," he says. "What if Bluey's doing something dangerous? Should I dob then?" asks Bingo.

2

The game of Swim School begins. There are two classes: Little Fish and Big Fish. "You have to pass Little Fish before you can go to Big Fish," swim instructor Karen (that's Bluey) tells her students Merifyndor (Bingo), Sharon (Mum) and Bevan (Dad).

3 They start with pool kicks, but Sharon dobs on Bevan for not kicking properly. "Is Bevan doing anything dangerous?" Karen asks. "Well, no," Sharon replies. "Then don't be a dobber, sweetie," Karen says. Merifyndor starts poking Bevan. So Bevan dobs on her. "Okay class, two new rules. First, no more poking. And second, no more dobbing (unless someone's in danger). You are a family!" Karen cheers.

"Let's work together, brothers and sisters," Bevan says. Karen teaches them how to doggy paddle and ninja kick before passing them onto the next class.

4 **"WELCOME TO BIG FISH. I'M MARGARET, YOUR TEACHER,"** says Margaret (also Bluey). "If anyone steps out of line in my class, you'll get one of these!" Margaret spits pool water in Bevan's face. "Don't worry about us, Margaret. Karen taught us to work as a family and never to dob unless it's about something dangerous," Sharon says.

5

"Oh yes, Karen doesn't like dobbing, does she? Well, I do!"

Margaret tells her confused students. "In fact, if you don't dob, you won't pass." "Well, we're going to pass Big Fish without dobbing," Sharon says. "Big Fish is pretty hard," Margaret replies.

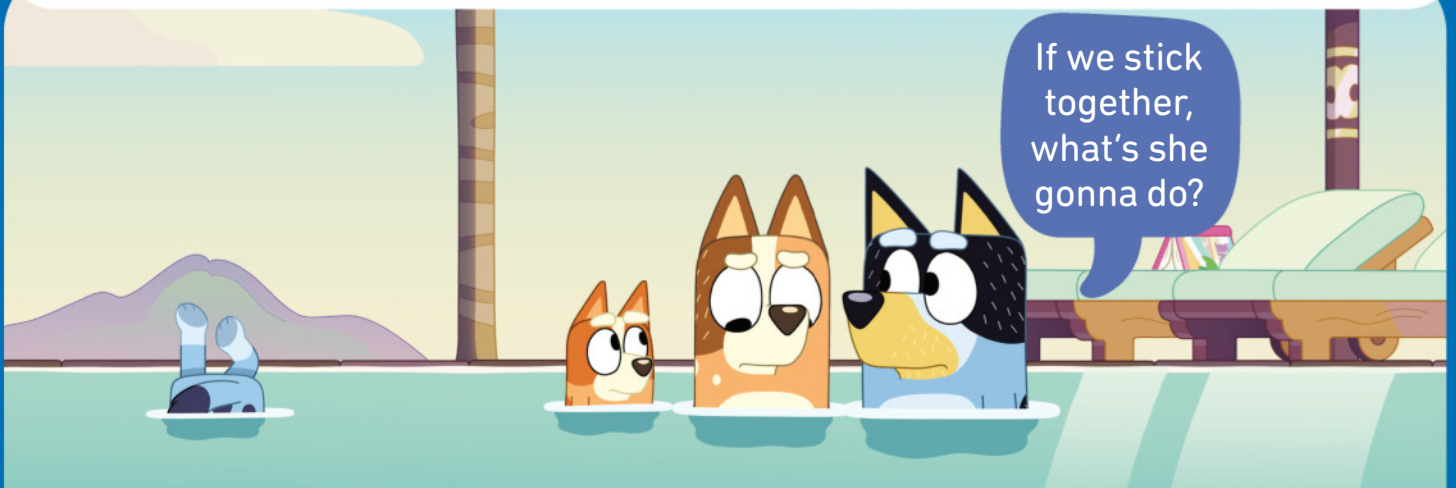

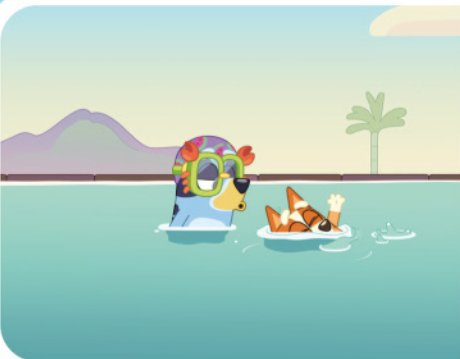

Dobbing is good!

6

Merifyndor, Sharon and Bevan keep failing the Big Fish lessons. "Family meeting!" announces Sharon. "Big Fish is impossible!"

"Margaret's a silly old watermelon head," Merifyndor adds. "What if we just refuse to do what she says?" Sharon wonders.

If we stick together, what's she gonna do?

But Merifyndor goes straight to Margaret and dobs them in. "Excellent dobbing, sweetheart! You just passed Big Fish."

6

7

"Well, **she** called you a silly old watermelon head!" Sharon tells Margaret.

"You what?! You fail too!" Margaret gasps.

"Sharon, you pass Big Fish instead." "But Sharon peeked in Marco Polo," Bevan dubs. "Fail!" Margaret yells. Bevan is ready to pass Big Fish when Sharon yells, "Bevan peed in the pool!" just as Margaret spits pool water out. **EWWW!**

Margaret, Merifyndor and Sharon jump out of the pool. "You two pass Big Fish," Margaret tells them, then turns to Bevan. "You fail, you big grub."

8

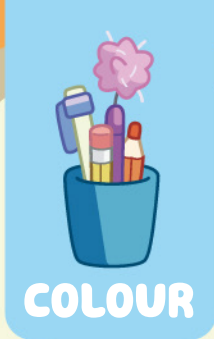

Merifyndor feels sad. "Margaret, I don't like dobbing on my family. If Bevan fails Big Fish, then I want to fail too," she says, and ninja kicks into the pool. "I'm with Merifyndor! Ya!" Sharon says, ninja kicking into the water. "Fine. You all fail," Margaret says. "Thanks, Merifyndor," Bevan smiles... just as Karen returns! "Welcome back to Little Fish! I'm so proud of you all," she cheers, and they all hug.

"Why is the water warmer here?" Merifyndor wonders, before looking at Bevan's guilty face. "Oh Bevan," Sharon sighs. Ewww!

mer-mazing!

Use recycled egg cartons to make swishy Bluey and Bingo mermaids. Ooooooh!

YOU WILL NEED:

- 2 clean egg cartons
- scissors
- sticky tape & glue
- paint
- yarn or string
- a grown-up to help

1 Ask your grown-up to snip the egg cups off the egg carton. Paint them whatever colours you like!

2 Once dry, your grown-up can make a hole in the middle of each cup and thread them onto a long piece of yarn or string. Make a knot at the bottom so they don't slide off! This is your mermaid tail.

3 Snip out Bluey and Bingo's bodies and stick them to the top of the tails. Colour in and tape their fins to the bottom.

4 Use the string at the top of each mermaid to hang them up somewhere special. Watch them swish and sway!

LOOK CLOSELY!

Grab a friend to play this holiday WHOliday game!

1 Snip out the game boards (do pages 31 and 34 first).

2 Pick a game board and sit opposite your friend. Make sure you can't see each other's boards.

3 Choose and circle a character each, then take turns asking 'yes' or 'no' questions back and forth with your friend to work out who you've each chosen. Cross off the characters that don't match your questions, and guess who they've picked!

MAKE THE DREAMHOUSE CAR

It's giant, it's ON WHEELS!
Aaaaand... what else?
You decide!

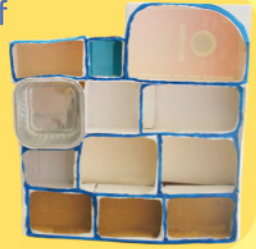

YOU WILL NEED:

- cereal box & small boxes from your recycling bin
- 4 cardboard rolls
- extra card
- scissors, sticky tape & glue
- paint & pens
- a grown-up to help you

1 Snip the front off the cereal box and fill it with the smaller boxes, add a bigger box at the top right so it sticks out at the top.

2 Cut the fronts off the boxes so you have lots of little rooms. We painted around the box edges, like this:

3 Now you can add whatever you like to create your own dreamhouse car!

We added extras like a cinema, cloudy bed and rocket. What will you invent?

How about a spa made from a plastic tub?

And some butlers to pull it along?

You're gonna need wheels. Paint the cardboard rolls black and stick them to the bottom.

We push a button which makes the wheels of the dreamhouse turn into rockets...

These were Bluey and Bingo's ideas:

11 BURGER SHOPS
20 BEDROOMS
40 TOILETS
ASPA ON THE BALCONY

Stick Mum and Dad to a cardboard roll so they can rock in their hammock!

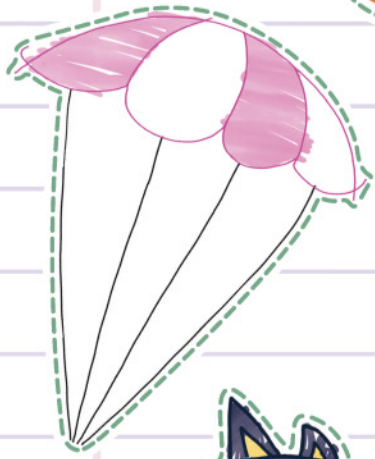

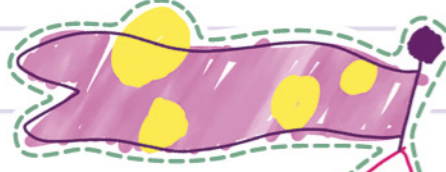

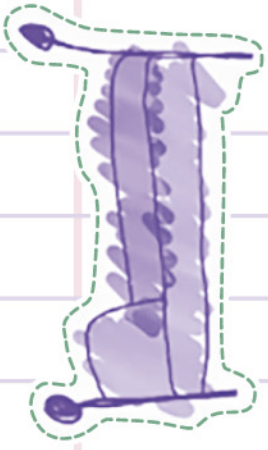

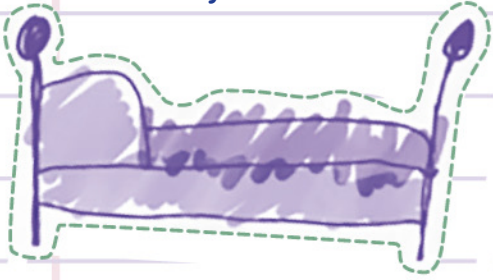

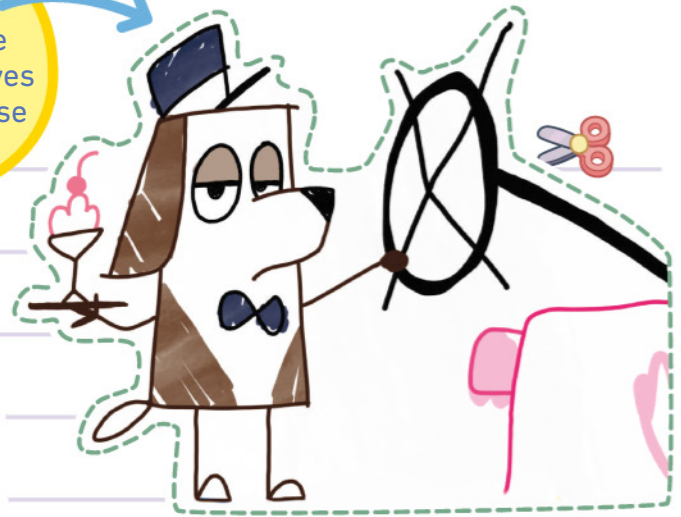

TOP TIP

Help your little pictures stand up by taping things like toilet rolls, cardboard and bottle tops to the back.

Choose any bits you want in your car and snip them out. You can make your own too!

Jerry Lee is the science butler who drives the dreamhouse car.
